

ISSEY LAGUNA

RETRACTABLE FOLDING ARM AWNING

Decks and patios are perfect areas for relaxation and entertainment. But without effective shade, the sun radiates uncomfortable heat, glare and harmful UV rays, making your outdoor areas unusable and your experience unpleasant.

The Issey Laguna brings fresh life to any exposed patio, deck or courtyard. By extending interior comfort to your exterior living space, it opens a new world of outdoor entertainment and relaxation while blending seamlessly with any elegant setting. The Laguna is free of unsightly poles and stylishly protects your home while unobtrusively retracting into its slimline headbox.

Issey's unique aesthetic and technical design ability allows the Laguna to cover up to 64m² without fabric gaps, providing an uninterrupted shady haven. The Laguna brings you the ultimate in effective sun control and the ability to style the system to your own unique tastes.

ISSEY LAGUNA COMBINING ELEGANT FUNCTION WITH INTELLIGENT DESIGN

ISSEY LAGUNA

RETRACTABLE FOLDING ARM AWNING

APPLICATIONS

This elegant system can be used for overhead protection for open areas such as decks, terraces or outdoor dining. Covering up to 64 square meters, the arm systems can be pitched between 0 to 45 degrees to obtain maximum sun protection.

- Patios
- Decks
- Courtyards
- Terraces
- Balconies

HEADBOX & SIZES

Extensions of 4000mm is not available in windy conditions
Pitch of sunshade is adjustable between 0 and 45 degrees
Slimline semi-cassette powdercoated extruded aluminium box unobtrusively protects and prolongs the life of the system.

FABRIC

A wide choice of fabric is available to suit your unique situation

- **Screen 86% / 90% / 92% / 93%** – If you want a view through the angled Laguna or more light to filter through, selecting the Screen fabric will ensure the majority of heat, glare & UV is prevented while the view is maintained
- **Acrylic 99%** - High-quality, easy-to-maintain, mould-resistant acrylic fabric. The range gives up to 99.5% UV blockout.
- **Slope** - A slope of 20 degrees or more is required for optimum rain protection

FOLDING ARMS

Robust Powdercoated Folding Arms

The Issey folding arms have triple stainless steel tension cables protected by a plastic sleeve for superior anti-corrosion, smooth operation and durability. The quality of the arm is shown in the lasting tautness of the fabric.

OPERATION

The ability to retract the blinds gives you the power to control when and how much shade is required:

- **Manual Crank** - available up to 5980 mm wide by 3000 mm extension
Removable external crank with handle attached to eye outlet
- **Motorised** - Somfy tubular motors that can be hard wired to a switch or operated via remote control
- **Automatic Sensors** - For enhancement of lifestyle, choose an automatic sun & wind sensor that automatically extends or retracts the systems according to the day's conditions
- **BMS** - Easily integrates with Building Management Systems for convenient and versatile control

FRAMEWORK

Robust framework and components for durability and longevity

- **Colour of Frame** - Choice of over 100 colours from the Dulux Powdercoating Range
- **Material** - Powdercoated extruded aluminium framework
- **Nuts, Bolts & Fixings** - Marine grade stainless steel
