

LINKED CUSTOM UMBRELLAS

On The Run Cafe, North Terrace, Adelaide

Client: Peregrine Corporation
Location: On The Run Cafe, North Terrace, Adelaide, South Australia
Project: 3 Custom Linked Umbrellas
Fabric: Waterproof PVC with Custom Printing

Scope of Works:

Business's on the North Terrace have the use of commercial space to the street frontage in the form of an al fresco dining area. This can only be utilised throughout the year if protection from rain and solar UV can be provided. For the new 'On The Run' Cafe on North Terrace, Shadeform were engaged to supply and install these stunning custom printed linked Umbrellas to the outdoor dining area.

The Umbrellas are designed and engineered to resist high winds up to 100 mph, with triplex hot zinc and powdercoated framework, marine grade stainless steel components and edge wires and a fully waterproof canopy membrane. The Umbrellas feature a custom link panel to provide continuous waterproof protection between the Umbrellas giving valuable commercial space with year round protection.
