**\*\*\* NEW PRODUCT \*\*\***

## CORRADI PVC RETRACTABLE ROOF

Shadeform have been appointed as the exclusive South Australian distributors for the Italian designed Corradi Waterproof PVC Retractable Roof System.

The system, made to size, has been designed to create an elegant and cosy outdoor space despite the most difficult weather conditions or strongest wind.

## SEASHELL WATERPROOF AWNINGS

Shadeform have been appointed as the exclusive South Australian distributors for the revolutionary SeaShell Waterproof Retractable Awning.

The SeaShell Awning uses MagnaLOC technology allowing it to self retract when winds exceed a safe working load. With the ability to span up to 10m in diameter and a full 360° coverage around a central fixing, the SeaShell awning can be the perfect addition to many residential and commercial applications.

Shadeform have just installed a Seashell outside their Flinders Park showroom so come and check it out!

Fully engineered in various structure types (Aluminium, Timber, Steel or Stainless Steel) the fully motorised system runs on tracks to give the client the ultimate transformable room.

212 Grange Rd, Flinders Park SA 5025

Ph: (08) 8354 2116 Fax: (08) 8354 2118

email: [enquiries@shadeformsails.com.au](mailto:enquiries@shadeformsails.com.au)

Shadeform are the exclusive South Australian Distributors of:

## KOORYONGA GOLF CLUB

As part of a major upgrade to the Kooyonga Golf Club, Shadeform have installed Issey Vertirolls and Internal Blinds to the facade of the west facing clubhouse overlooking the 18th hole.

Using 90% fabric the Issey blinds dramatically reduce heat loading and glare in the clubhouse whilst maintaining views over the course.

## PREMIERS CAR PARK STRUCTURE

The Shadeform team have just completed a contemporary, cantilevered Waterproof PVC structure to provide all weather coverage to corporate government vehicles.

Utilising curved steel rafters, structural PVC fabric and posts on the rear edge, the structure provides maximum coverage for minimal structural members.

## CUSTOM PVC DOUBLE CONE (OUTBACK JACK'S HOLDFAST SHORES)

Shadeform have recently installed a custom made PVC Double cone on the pier at Holdfast Shores providing an excellent, all-weather, alfresco dining area for restaurant patrons.

## NEW WEBSITE

Have you visited the NEW Shadeform website yet?

[www.shadeformsails.com.au](http://www.shadeformsails.com.au)

With downloadable pdf flyers of our entire product range, project photos and an updating news page the Shadeform website is a wealth of knowledge for your new sail structure design.

Shadeform are the exclusive South Australian Distributors of:

## RECENT RESIDENTIAL PROJECTS

### Custom Made 90% Polyester Mesh Sail Shade.

A perfect addition to shade this pool and reduce evaporation and debris in the pool.

**Issey Laguna Folding Arm Awining.** With the ability to span up to 8m with a 4m extension, it is an elegant retractable shade system.

## NEW SAIL DESIGN INFO AVAILABLE

Market knowledge of Shade Sail design and construction is generally quite limited in terms of loading, construction and design layout. To enhance this Shadeform have just released a NEW brief document detailing some of the basic concepts in sail design and construction to assist clients in developing their ideas.

The document covers important design considerations such as sail construction, layout, fabric options and an introduction into shading concepts and the travel of the sun.

For a copy feel free to contact our office, or visit our website and click the link Shade Structures/Sails - General Information.

## OFF-PEAK SAVINGS (BEAT THE SUMMER RUSH)

Shadeform are, for a limited time, offering substantial discounts for residential ordering in the off peak season. With Spring almost upon us the time is now to plan your shading requirements for the harsh Summer sunshine before production times extend.

Call the Shadeform office today to start consultation on your very own shading project and take advantage of these savings.

## SHADEFORM SHOWROOM

Shadeform invites you to view their comprehensive Showroom display in Flinders Park (address below), including Sail Shades and Fabrics, Issey Automated Blinds and Awnings, Seashell Awning, Flexshade Umbrellas as well as a large range of Stainless Steel fittings and fixings.

### Flexshade PVC Umbrella.

A Waterproof PVC fixed Umbrella rated to withstand up to 160km/hr winds.

### Stainless Steel Balustrade.

Using marine grade stainless steel posts, handrails and wires, this elegant system is perfect along the foreshore.
